

Destination are illustrative

**Notes:-**

1. Design based on UK TSM chapter 7.
2. "x" height : in general, this shall be minimum 100mm however it may vary according to the site conditions and speed limit of the road or as otherwise indicated by TM.
3. The font is 'Transport Medium'
4.  The 'virtual' tiles as shown are indicative only
5. All dimensions are in "stroke width" unless indicated otherwise.
6. One "stroke width" (sw) = 1/4 "x" height
7. All details in this drawings are for illustrative purpose only.
8. The Back plate corners shall be rounded as shown in the drawing however square corners are also acceptable if this is deemed acceptable by TM in advance of manufacture.
